Friday - 23 September 1960

25X1 1. [REDACTED] Received from House Armed Services Committee the three documents making up General Cabell's prepared statement which had been loaned to the reporter who is preparing the transcript. In response to a query concerning availability of a copy of the transcript, Representative Kilday advised that no transcripts were being made available to the executive branch and he would prefer to keep it this way. I assured them this was not a pressing issue and that we would let it drop at this point.

25X1 3. [REDACTED] [REDACTED] met with Mr. Roland Severy, Bureau of the Budget, to discuss the proposed Executive Order for the Overseas Differentials and Allowances Act, P. L. 86-707. Severy provided a copy of the draft Order for our review and comment by the middle of next week. Severy was advised that it was our preliminary judgment that E. O. 10100, the existing directive concerning Agency allowances, could be revoked by the new Order. We will give him a final answer when we contact him next week.
